## Principals Report

I hope this newsletter finds you well and filled with the same sense of pride and excitement that I have as we reflect on the fantastic start to the 2024 school year. It has been a whirlwind of activity and achievement, and I am thrilled to share some highlights with you.

First and foremost, I am delighted to report that our students have settled in beautifully to their new classrooms, eagerly embracing the challenges and opportunities that come with Year 3 and Kindergarten. Their enthusiasm and adaptability have been truly inspiring, and it fills me with great joy to see them thriving in their learning environments.

Our Year 6 leaders have once again demonstrated exceptional leadership qualities, showcasing their initiative and dedication across all areas of school life. Notably, they have implemented a plan to monitor the use of sporting equipment during lunchtimes, ensuring a safe and inclusive environment for all students to enjoy.

In the realm of academics, it was heartening to see a strong representation of parents at the recent Parent Information Night on Mathematics. Your engagement and support are invaluable, and I am confident that

together, we can foster a love for learning in our students that will last a lifetime.

## Sport

On the sporting front, our school's prowess has been on full display, with strong performances and exemplary sportsmanship observed at the "Black Billy Cup." I am thrilled to announce that four of our students excelled to the Riverina level, a testament to their hard work and dedication.

The NRL workshops have also been a resounding success, with students showcasing their talents in ball skills, balance, and agility. I have no doubt that their newfound skills will serve them well as we eagerly anticipate the upcoming athletics carnival.

Congratulations to both Scarlett and Tess for successfully making the Riverina Cricket team! Well done!

## Family Conferences

Our family conferences have also been fruitful, with students making great strides towards mastering their learning goals. I am pleased to announce that parents will now be notified via email when their child achieves one of their goals, allowing them to celebrate these achievements together. Additionally, students will be recognized for their accomplishments with the awarding of two Gold Spots for their award charts.

## ANZAC Day

If you wish to participate in the Junee ANZAC March on Thursday 25<sup>th</sup> April, please meet Jess & Ms Guthrie at Peel Steet side of Memorial Park by **10:15am**. The March will begin at 10:40 am and conclude at the Cenotaph, where the students will lay a wreath. Students are asked to wear full school uniform with black shoes.

Thank You

I would like to take this opportunity to extend my heartfelt thanks to our incredible P&C, whose unwavering dedication and support behind the scenes truly enrich our school community. Your efforts do not go unnoticed, and I am deeply grateful for all that you do.

If you are interested in joining the P&C meetings, please don't hesitate to reach out to one of the executives. Your involvement is crucial to the continued success of our school, and I encourage you to lend your voice and support wherever possible.

As we look ahead to the remainder of the term, I am filled with optimism and excitement for all that is yet to come. Together, we will continue to inspire, empower, and uplift our students, ensuring that they reach their full potential and beyond.

Thank you for your ongoing support, and here's to a bright and promising future for EPS.

Amanda Morton

**In your most creative way, tell us about:  
The importance of healthy soil and its connection to our food**

**Great prizes!** - \$500, \$100 & \$50 VISA cards
