Principals Report

What a busy and exciting term it has been! I'd like to begin by reflecting on some of the key highlights from this term. Our Stage 2 and 3 students had the incredible opportunity to attend Camp Womberoo, which was a fantastic experience. It was truly one of the highlights for our students, filled with adventure and teamwork. A huge thanks to Miss Young, who played the role of mum on this excursion.

We were also deeply honoured to host Steph Cooke, at one of our recent morning assemblies. Steph generously presented a new State Flag to the school and spent time engaging with our school leaders, who impressed her with their maturity and passion for our beautiful school.

Additionally, we've had the pleasure of welcoming two trainee teachers, Mrs. Taylor and Ms. Turnbull, who have completed their practical placements with us. Their enthusiasm and dedication were greatly appreciated, and we are grateful for the energy they brought to our classrooms.

A special thank you goes out to the parents who attended our recent Parent Information Session on explicit teaching. Your involvement in these discussions is so important, and your support makes a real difference in the learning journeys of our students.

Looking ahead to Term 4, I'd like to inform everyone of a change in our learning organisation. With reduced enrolment next year, we will be moving to a whole-school class K-6 model. By starting this transition in Term 4, we aim to equip our students and teachers with the skills needed to adapt and thrive in this new environment. I believe this change will bring opportunities for growth, and we will work together to ensure a smooth transition as we prepare for 2025.

Finally, it is with deep appreciation—and a touch of sadness—that we say a heartfelt thank you to Mrs. McKenzie. She has made a tremendous impact in our K-2 classroom, bringing creativity, warmth, and dedication to her role. While this is not a final goodbye (as we hope to see her from time to time next year), we wish her all the very best in her future endeavours.

Mrs Morton

3-6 News

There cabins were fun and the Eurongilly boys had a lot of fun in the cabins. Archery was good but the canoeing was awesome. But we all like the vertical challenge and the giant swing. Tom

I loved making the damper because I got put it on a stick, put it in the fire and drizzle golden syrup all over it. Sophie

This year for 3-6 when to camp Womberoo, everyone had an amazing time. My favourite part was the virtual challenge we had to race our friends up this big tower of rope, wood and metal bars. Willow

School camp was the best! I had so much fun, but my fav thing out of everything was the giant swing. It was soooo fun I love how it got me out of my comfort zone. It was scary at first but then it was really fun. Angus

The cabins were really fun. Angus and I got in our sleeping bags and turned into caterpillars. Dinner and dessert were the best. I already miss it. Oliver

Ms Young

K-2 News

We have had a busy time preparing some entries for the Wagga and Illabo Shows. Our room is looking very bright, and a little bit messy, with lots of art and crafts

around. In fitness and sport, we have been playing mini soccer games, trying hard to share the ball with our team mates. Our focus in writing is not repeating words and phrases – particularly 'and then'. We are working on publishing our own book. Maths has been lots of fun! We have been making patterns and groups, skip counting and using number lines.

Pre-Service teachers at Eurongilly

I've really enjoyed my time at Eurongilly Public School. I was a bit nervous when I first started, but the staff and students were so welcoming that I quickly felt part of the close-knit community. I'm sad that my time here has ended for this year, but I'm hopeful I'll be back next year to see everyone again.

Natalie Taylor

Over the past five weeks, I've had the pleasure of being a part of this incredible school community as a prac student. From the moment I arrived, I felt welcomed by the staff and students, and it's been an experience I'll always cherish.

I've had the opportunity to learn and grow as a future teacher while working alongside such dedicated staff and witnessing the enthusiasm and energy the students bring to their learning every day. Watching them develop their skills and confidence has been one of the most rewarding parts of this experience.

As my time here comes to an end, I want to express my gratitude to everyone for making my placement such a positive and enriching journey. I'll truly miss the supportive environment, the friendships I've made, and the joy of seeing students thrive in their learning.

Thank you to everyone at Eurongilly PS for making this such a memorable experience. I'll carry the lessons and memories with me as I continue my path to becoming a teacher, and hopefully have the chance to visit again one day.

Miss Turnbull 😊
