## Principals Report

---

Dear Eurongilly Public School Community,

As we approach the middle of our final term in 2024, I am excited to share some wonderful updates from our school.

Firstly, I'm thrilled to announce the progress of our "Our Space" Garden Project. With great enthusiasm, we have successfully installed our heritage gates. These beautiful gates not only enhance the aesthetic appeal of our garden but also serve as a reminder of our school's rich history. A big thanks to Mr Carter for adding the corrugated iron to ensure the EPS stands out. In addition, we have added a variety of plants to the corner garden, turning it into an engaging space for our students. It has been a joy to see their excitement as they get involved in caring for this area. We are also looking forward to picking up the new bench seats from Bunnings soon, which will complete this space and provide a comfortable area for our students to enjoy.

I would like to extend my heartfelt congratulations to Tess and Scarlett for their outstanding representation of our school while playing for the Riverina team in cricket. Their sportsmanship and dedication are commendable and reflect the values we strive to instil in our students.

Our Kindergarten orientation program has been a resounding success! It has been delightful to see all our students enjoying the opportunity to meet Alaska, who will be joining us next year. This program is essential in helping our youngest learners feel welcomed and excited about their upcoming journey at our school.

As we approach the end of the term, our calendar is filling up with events, and I encourage everyone to stay

informed by regularly checking our School Bytes app. Some important dates to note include our Presentation Night, Year 6 Farewell, and the much-anticipated end of year class/school pool party.

During Weeks 6 and 7, swimming lessons will commence. We are grateful to Laurie for generously offering to transport us back to school then home during these two weeks. If your child has alternative arrangements for their afternoon pick-up during this period, please text the school mobile with the details and the specific dates. This will help us ensure that every child gets home safely.

Thank you for your continued support and involvement in our school community. I look forward to seeing everyone at our upcoming events!

Warm regards,

Mrs Amanda Morton

Riverina medalist, Scarlett, captain and outstanding leader.

Riverina PSSA Girls cricket team.

**All About Me**

Name: Alaska

Favourite colour: Blue and Pink

Favourite food: Nuggets

At home I like to: Dance and Sing

Hobbies: Reading, Ballet and playing with friends

My Favourite thing about Kinder Orientation has been: Meeting all my new friends

## Descriptive writing

### Beach Holiday

As I walk along the beach, I can feel the sand between my toes. The waves come up to my feet and I can feel the sand from my feet disappear out into the sea. I can hear swans honking while flying over me. I can also see palm leaves slowly drift in the wind. While on the beach, I can see a bottle with a mini island inside that is buried in the sand. – *By Fred*

### Tropical Beach

As the luminescent sea glows in the darkness, I relax as the sand trickles through my toes while looking at beautiful stary night. It gets darker, as coconuts drop viciously on the smooth silky sand and roll into the water with a little splash. They sink slowly as waves collide together and drink the milky juice from a coconut. - *By Will*

### Camping trip

The embers of the fire float into the starry night. The arctic winds blow in to my tent and the Milky Way shines bright. The Banjo frogs croak and the dingos howl. It's time for bed. Good night. – *By Oliver*

### The Dark Purple Castle

I walk up to the dark, purple rusty castle. I start to breath in the dusty smoke. The castle is creaking loudly and the old lights still work. I'm standing on the worn out wooden veranda and I'm looking out. I see the grey clouds caving in. The purple moon is glowing like a huge bright light bulb. The long green grass is spinning in the wind. Suddenly I feel myself lifting up off the dirty ground. I start swaying then swishing and then I drop! - *By Mahli*

### Haunted house

I arrive, the birds are screeching, and the wind is howling, and the purple sky fills the air. Dark and creepy, I slowly open the door and creep in. The lights flicker and spark and the door creaks then the wind slams it shut. The shivery wind whistles through the cracks of the window. I slowly creep up the stairs, but the weird thing is upstairs there are no spider webs anywhere, everything is fresh. Then I saw a body in the bed! I was shocked, there was a note on the bed (I will come for you) then I jumped down the stairs and ran for my life. – *By Savannah*
